

**IC<sup>3</sup> Practice Test Now Available!**

The IC<sup>3</sup> Practice Test is designed to give you a simulation of the exam experience. This practice experience will reduce your

test anxiety and help you become familiar with the IC<sup>3</sup> testing format. The IC<sup>3</sup> Practice Test questions are mapped to the IC<sup>3</sup> standards and are similar to the actual IC<sup>3</sup> Exam questions.

## **Frequently Asked Questions**

### **Q: What is the IC3 Practice Test?**

A: The IC3 Practice Test is a simulation of the IC3 certification exams. It is designed to help people prepare to take the certification exams and experience the IC3 certification exam without taking the actual test.

### **Q: Are the IC3 Practice Test questions mapped to the IC3 exam questions?**

A: The IC3 Practice Test questions are mapped to the IC3 standards. The questions may be similar to the questions on the actual IC3 certification exams, but they will not be exact replicas of the certification exam questions.

### **Q: What score do I need to receive on the practice test before taking the IC3 exams?**

A: We recommend that people score from 85% - 90% on each of the IC3 Practice Tests before attempting the IC3 certification exams. However, scoring from 85% - 90% does not guarantee that a person will pass the IC3 exams.

### **Q: What language(s) is the IC3 Practice Test available in?**

A: The IC3 Practice Test is only available in English.

### **Q: What kind of report is available with the IC3 Practice Test?**

A: The IC3 Practice Test report will give people a breakdown score that tells how they performed on the various subject areas. For example, the report will provide a percentage score that shows on the candidate's knowledge of hardware, software, operating systems, etc. The report will also provide some general recommendations for what the candidate should review before taking the practice test again.

### **Q: Is the IC3 Practice Test timed?**

A: Yes, the IC3 Practice Test is timed, but people can take as much time as they want on the test. We recommend that candidates try to finish the practice test within 45 minutes, since that is the amount of time they are allowed for the actual certification exams. The practice test does not require a proctor and does not need to be taken at a Certiport testing center.

### **Q: Who should take the IC3 Practice Test?**

A: Anyone who is interested in taking the IC3 certification exams should take the practice test first.

### **Q: How many times can I take the IC3 Practice Test?**

A: There is no limit on how many times a person can take the practice test.

**Q: How can I purchase the IC3 Practice Test?**

A: Please contact your Lady Ray Computer Services center to purchase an IC3 Practice Test.
